Honourable Don MacKinnon
Prince Edward Island
Crown Building Corporation
Charlottetown, P.E.I.

Sir:

I have the honour to submit herewith a report of the activities of the Prince Edward Island Crown Building Corporation for the year ended 31 March 2001.

An Act to establish the Prince Edward Island Crown Building Corporation was passed on 5 April 1962. Subsequently, Orders-in-Council appointed successive Presidents and Directors. During the period 1962-66, the Corporation functioned as an administrative and financing agency for site preparation, planning, design and construction of the Provincial Administrative Buildings In Charlottetown, and from 1966 to 1984 the Corporation generally limited its activities to that of financial agency responsible for amortizing construction costs of the Administrative Buildings.

An amendment to the Prince Edward Island Crown Building Corporation Act (RSPEI 1974, Cap. C-30), assented to 11 May 1984, enabled the Corporation to plan, design, and construct the buildings, facilities, and equipment necessary to accommodate the veterinary teaching facility, known as the College, to be established as part of the University of Prince Edward Island; and to assume the financial obligation of Prince Edward Island, all pursuant to the Agreement of 3 June 1983, on behalf of the Government of Canada and the Governments of the Provinces of Prince Edward Island, Nova Scotia, New Brunswick and Newfoundland.

Bylaws of the Corporation were approved by Lieutenant Governor-in-Council on 30 August 1984, and subsequently, amended bylaws were approved on 15 November 1984.

Objects and powers of the Corporation were approved by the Lieutenant Governor-in-Council on 30 August 1984.

Pursuant to an Agreement of 8 September 1983 between Prince Edward Island and the University of Prince Edward Island, the University conveyed the lands containing approximately 19 acres to the Province for the purpose of constructing all buildings and parking areas necessary for the College. Ownership of the College and the said 19 acres of land was transferred back to the University on 1 April 1987.

On 19 October 1987, the Corporation purchased the shares of the Charlottetown Veterinary Clinic (1981) Ltd. and C.V.C. Management Inc. in order to facilitate the integration of the veterinary practice area served by the Charlottetown Veterinary Clinic into the large animal ambulatory and hospital services of the College.

The audited financial statements of this Report cover details of costs.

Respectfully submitted,

Tom Harland
Secretary
Crown Building Corporation

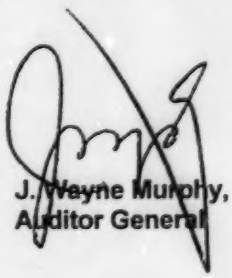
AUDITOR'S REPORT

To the Board of Directors of the
Prince Edward Island Crown Building Corporation

I have audited the non-consolidated balance sheet of the Prince Edward Island Crown Building Corporation as at March 31, 2001 and the non-consolidated statement of operations and surplus for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these non-consolidated financial statements present fairly, in all material respects, the financial position of the Corporation as at March 31, 2001 and the results of its operations for the year then ended in accordance with the basis of accounting disclosed in Note 1 to the financial statements.



J. Wayne Murphy, FCA
Auditor General
